The promise of the Winter Collection

NATURALNESS

Up to 98% natural-origin ingredients. The formulas follow a transparent formulation charter, ensuring both effectiveness and sensoriality.

VEGAN FORMULAS

Our products contain no animal-derived ingredients and are not tested on animals, in compliance with European Cosmetic Regulations.

MADE IN FRANCE

Authentic care products inspired, designed, manufactured, and packaged locally, prioritizing short supply chains for better traceability.

ECO-DESIGN

All packaging is made of recyclable FSC-certified paper or cardboard, sourced from sustainably managed forests.

PERFUMES FROM GRASSE

All our fragrances are created by master perfumers in Grasse, using natural raw materials, exclusive to the brand.

STRICT FORMULATION CHARTER

Continuous monitoring: Any ingredient with potential concerns for the skin or environment is systematically excluded from our formulations.

The world of *The Enchanted Factory*

For this holiday season, Panier des Sens invites you to discover ***The Enchanted Factory***, a magical collection that highlights the **brand's unique expertise**.

In a **festive and colorful atmosphere**, it features three **dazzling shades** with **golden touches**, symbolizing the warmth and joy of winter.

Inspired by **stills, soap bubbles, and blooming nature**, this collection reflects the craftsmanship and excellence of Panier des Sens.

The Enchanted Factory is an invitation to celebrate winter in a magical universe full of tenderness.
